

About the College

Medarametla Anjamma Mastan Rao College Of Pharmacy (M.A.M) was Established By M.A.M Memorial Service Society With A Group Of Eminent Academicians And Professionals From Different Fields With A Mission To Offer Quality Education With A Motto To Provide Education To All And Contribute Itself To The Millennium Development Goals. Since Its Inception, M.A.M Has Been Successful In Providing Quality Education With State Of Art Facilities And Emerging As A Leader In The Field Of Pharmacy Education. The Mission Is To Train The Enthusiastic Students And Transforming Them As Knowledgeable Pharma Professionals To Meet The Society At Local National And Global Level Within Short Time The College Has Been Upgraded To PG Level Institution Facilities Like International Student Programme Personality Development Programme. IPA, APTI Programmes, NSS Unit, Will Help The Students To Groom Themselves To International Arena. Guest Lectures by Expert From Industry, Different Universities Tie Up With Multinational Companies. Organizing and Attending Various National and AMP, International Seminar. Visit Of Top MNC's And Placement Cells Are Unique Features Of M.A.M

About IPA

Connecting The Pharmacists and Pharmaceutical Scientists of India The Indian Pharmaceutical Association (IPA) is the National body representing over 1 million pharmacists and pharmaceutical scientists from Industry, Academia, Regulatory, Hospital and Community Pharmacy and work to meet the India's health care needs. IPA is a non-governmental organization that has been in official relations with the FIP and WHO. IPA is member of Drug Technical Advisory Board (DTAB), Ministry of Health and Family Welfare, Government of India. IPA has been awarded "Best Professional Organisation Award -2015" by Indian Association Congress. IPA is recognised as the leader of pharmacy at National level. IPA continue to expand its presence, within pharmacy and pharmaceutical sciences and influence through partnerships with some of the world's leading health, policymaking, education and science institutions.

Call for Poster / Oral Presentations

The College has great pleasure in inviting the follow pharmacists to submit scientific work in pharmaceutical sciences for posters/ Oral presentations during the conference. The poster / Oral Presentations of original research of reviews must include the following abstract specification : one page abstract not more than 250 words which include Title, Author / Presenter name, Institution name and Address along with the abstract of the work to be presented

PURPOSE OF CONFERENCE

A conference is a gathering of people with a common interest or background, with the purpose of allowing them to meet one another and to learn about and discuss issues, ideas and work that focus on a topic of mutual concern

OBJECTIVE OF THE CONFERENCE

To bring together academics and top industry figures in the fields of pharmacy and management in one setting so that they can continue to be leaders in their fields. The conference discusses the value of remaining vigilant at all times keeping up with the most cutting edge trends, identifying the most pressing problems and doing independent research. The outstanding conference will cover a wide range of important topics, including inductive reasoning leadership in engineering, policy guidelines and special advice. This event is sure to be an interesting conference with educational, learning and networking sessions that will cover the most recent trends in the fields of pharmacy and management as well as the most efficient ways to address typical challenges that researchers in these disciplines face on a daily basis.
