### SCHEDULE OF INDUSTRIAL VISIT:

The educational visit to Mahy's formulation was organised by M.A.M College of pharmacy on 21.07.2022. All in all there were 60 students of III B.Pharmacy actively participated in the visit which was successfully coordinated by Mr. T.Bhavani Ramesh Kumar and team .We started our journey at 10.30 AM from college and reached our destination at 11.15 AM.A brief introduction about company was given by Mr. Murthi in seminar hall and there we done breakfast.After that we were taken to gowing room separate for girls and boys and provided with gowns and caps.The first department that we visited was raw material and packing materials warehousing area where we got to learn how the raw material and packing materials are stored and labelled. Then we were taken to dispensing area and the next area we visited was wash area, after that we visited granulation area where we saw different granulation equipments such as rapid mixier granulator,fluidized bed drier.After visiting granulations area we moved compression area, where we saw compression mechine where he explained about different parts of of compression mechine like stations,tooling,hoppers,and feeders . He also explained about different defects of tablets

The nest area was capsule are filling area where we got to know about different types of filling like powder, granules,pellets and mini tablets that are being filled in capsule shell, the next step he explained about coating area where he explained that coating is the most crucial step in tablet manufacturing two coating equipment, He gave us details about fluid bed equipment used for the coating of pellets and granules.

Finally we gather in the seminar hall where the managing director Y. Sambasiva Rao gave us the overview about mahyas formulations and their growth. We ended the visit by clicking a group photos at 2.30 PM and we moved out of the plant

### SCHEDULE OF INDUSTRIAL VISIT:

On 29.07.2022 III Pharm.D students of M.A.M College of pharmacy visit Safe formulations Pvt.Ltd. This plant is located at Gollapadu, Mupalla mandal, Narasaraopet, Palnadu district, Andhra Pradesh. Total 22 students along with 2 faculty members have joined this industrial visit. This plants mainly deals with manufacturing of tablets, capsules and parental preparations. Our college team reached the industry at 10.30 AM. We met to President D.B Venkoji Prakash we had great experience with him. Firstly he introduced safe formulations to us and we visited various departments in industry. They are manufacturing wide range of products. It was good experience; wich has provided exposure to the students with industrial life.

Students were well mannered and disciplined throughout the visit and staff members and students are extremely thankful to respected chairman, principal, official at organizations who grant the permission of visiting their industry and guide the students
