3.4.2 Number of awards and recognitions received for extension activities from government/ government recognized bodies during the last five years.

The institution imparts Professional Ethics and Human Values as part of the academics, besides that awareness is spread through Social responsibility is passed on through the National Service scheme (NSS) and its activities.

The college sensitizes the faculty and the students on institutional social responsibilities. NSS units of the institute regularly conduct camps in the nearby villages in order to create an insight into the societal needs in the minds of the students. This motivates the students to participate in social outreach programmes which would benefits students in nearby villages. A sample of such programme conducted includes

- Water conservation programmes
- Health and Hygiene
- Awareness Programmes
- Plantation Programmes

The students participated in programmes like water conservation; safe disposal expired medicines etc. in the nearby villages. Awareness about Corona virus programme was conducted in association. Blood donation camp strengthens the sense of empathy and compassion among donors and also instills in them a sense of commitment and ethical responsibility. The blood donation camp was organized by MAMCP NSS units. The students and the lecturers of M.A.M College actively participated and donated blood. It was a great privilege for the NSS units of M.A.M College to organize the blood donation camp. Apart from the above, significance of clean surrounding, health and hygiene, sanitation, safe disposal of sanitary napkins was also sensitized the community at large. All these initiatives created holistic environment.

Women empowerment programme created awareness among the girl students to exercise their rights. All this leads to informed, balanced and responsible citizenship. All the faculty members and students practiced yoga on the occasion of Yoga Day celebrations. Various activities were conducted and multiple sensitive topics of social, political & economic significance were discussed in order to create better understanding among students & contribute to balanced development of their personalities. The NSS unit functions under the guidance of a Faculty NSS Programme Officers. The NSS wing of college focuses on providing access and opportunities to underprivileged children in health and education.
