

MAM College of Pharmacy Annual Report 2024-25

Vision and Mission

Our vision is to be a leading institution in pharmacy education and research, producing competent professionals who excel in their fields. Our mission is to provide quality education, foster innovation, and promote excellence in pharmacy practice.

Academic Programs

- B.Pharm: Our undergraduate program in pharmacy provides a strong foundation in pharmaceutical sciences and practice.
- M.Pharm: Our postgraduate programs in specialized areas such as pharmacology, pharmaceutics, and pharmaceutical Analysis, Regulatory Affairs and Quality Assurance equip students with advanced knowledge and skills.
- Pharm.D: Our doctor of pharmacy program focuses on clinical pharmacy practice and patient care.

Research and Publications

- Research Initiatives: Our faculty and students are engaged in cutting-edge research in areas such as drug discovery, pharmacokinetics, and pharmaceutical analysis.
- Publications: Our research has been published in several peer-reviewed journals, showcasing our expertise and contributions to the field.

Faculty and Staff

- Faculty Profiles: Our faculty members are experienced professionals with expertise in their respective areas.
- Professional Development: We provide opportunities for faculty and staff to enhance their skills and knowledge through training and workshops.

Student Life

- Student Organizations: Our students are actively involved in various organizations and activities, such as the Student Council and the Indian Pharmaceutical Association.
- Alumni Achievements: Our alumni have excelled in various fields, including industry, academia, and research.

Infrastructure and Facilities

- State-of-the-Art Laboratories: Our laboratories are equipped with modern equipment and facilities, providing students with hands-on experience and practical training.
- Library and Digital Resources: Our library has a vast collection of books, journals, and digital resources, supporting student learning and research.

KESANUPALLI (P.O.), NARASARAOPET (MD.)
PALNADU (DT.) - 522 601.

Industry Partnerships and Collaborations

- Industry Partnerships: We have established partnerships with several pharmaceutical companies, providing students with opportunities for internships, training, and research collaborations.
- Research Collaborations: We collaborate with other institutions and organizations to advance research and innovation in pharmacy.

Achievements and Recognition

- Accreditations: Our institution is accredited by NAAC with A Grade, ensuring our commitment to quality education.
- Awards and Recognition: We have received several awards and recognition for our contributions to pharmacy education and research.

Future Plans

- New Programs: We plan to introduce new programs and specializations to cater to the evolving needs of the industry.
- Infrastructure Upgrades: We will continue to upgrade our infrastructure and facilities to support student learning and research.

Conclusion

MAM College of Pharmacy is committed to excellence in pharmacy education and research. We strive to produce competent professionals who will make a positive impact in the field. We appreciate the support of our stakeholders and look forward to a bright future.
